# Topping-up SAGE & THYME Skills: Refresher E-learning Course

## Why is refresher e-learning needed?

- In SAGE & THYME workshops staff, students and volunteers learn core listening skills.
- Refresher training keeps skills and knowledge up to date.
- E-learning is convenient and goes at the learner's pace.

## Course features:

- Interactive
- SCORM compliant
- 'Plug and play' in your organisation's learning management system
- Assessment at end (need 80% to pass)

## E-learning course content:

- Importance of listening
- Indicators that a person is worried or upset
- Who SAGE & THYME can be used with and the benefits
- SAGE & THYME structure test and reminder
- Interactive videos of SAGE & THYME in action - a nurse - a lecturer – a manager – a mum
- When SAGE & THYME may not be appropriate
- Assessment – 10 questions selected randomly from bank of 15

**Cost of licence: £265 for first year—early adopter price before end March 2023**

This is NOT a replacement for the actual SAGE & THYME Foundation Level/Online workshop

## How can we gain access to the e-learning course?

- Have a licence from MFT to run SAGE & THYME training
- Add the e-learning course to your licence by paying an additional annual fee (currently **£265 for first year** —price until 31 Mar 2023) for unlimited learner access if you have a private SCORM compliant learning management system (LMS)
- If you don't have a LMS, we can discuss giving you access to the course through a hosted LMS for a fee based on your requirements

Contact us to request a demo or gain access to the e-learning
